

UNIVERSITY OF DAR ES SALAAM

INSTITUTE OF RESOURCE ASSESSMENT

TWO WEEKS SHORT COURSE TRAINING ON CLIMATE CHANGE AND SUSTAINABLE DEVELOPMENT FROM 18TH TO 29TH SEPTEMBER 2023

INTRODUCTION

The Institute of Resource Assessment (IRA) formerly Bureau of Resource Assessment and Land Use Planning (BRALUP) was established in July 1982. The University of Dar es Salaam (UDSM) through the Institute of Resource Assessment (IRA) is implementing short course training as part of its responsibilities toward promoting better education to the people of Tanzania, Africa and around the globe, reaching out to the international community. Short courses trainings are designed to enhance knowledge and skills development among practitioners and professionals who are working on the ground. The trainings are meant to improve technical understanding and developing competency-based practitioners. From these perspectives, the UDSM through IRA has developed short course training on **Climate Change and Sustainable Development** to enhance skills training in relevant industries and sectors toward achieving high levels of skills, knowledge and professional development among practitioners.

OBJECTIVE OF THE COURSE

To increase holistic understanding of climate change impacts across different sectors and knowledge-based innovations geared towards climate change adaptation and mitigation.

TARGET PARTICIPANTS

The target participants are practitioners/ technical staff across levels/ sectors, across the various agro-ecological zones of Tanzania, ranging from Government, CSOs and Private sector stakeholders.
